

Blood Artist

1

The illustration depicts a vampire woman, Vanya Falkenrath, in a dark, gothic-style dress with gold accents. She is holding a palette and a brush, standing in front of a large, ornate window with a stained-glass design featuring red roses. Red rose petals are floating in the air around her. To her left is a small table with a glass of red liquid and a vase of roses. To her right is a large, ornate vase filled with red liquid. The background is dark and atmospheric.

Creature — Vampire

Whenever this creature or another creature dies, target player loses 1 life and you gain 1 life.

“Vanya Falkenrath’s paintings are astonishing. How does she manage to achieve such rich crimson hues?”
—Stefan, art critic
