The image shows a Magic: The Gathering card. At the top, the title 'Calix, Guided by Fate' is written in a stylized font. To the right of the title are the mana costs: a green circle with the number '1', a green tree symbol, and a black star symbol. Below the title is a large illustration of a man, Calix, with long dark hair and a beard, wearing a green and gold patterned tunic. He is holding a long, ornate staff with a red gem at the top. Swirling white lines of magic emanate from the staff, looping around him. The background is a purple and blue sky with a large, dark, swirling shape. Below the illustration, the text 'Legendary Enchantment Creature — Human Druid' is written, followed by a red dragon head icon. The card's ability is written in a large, stylized font: 'Constellation — Whenever Calix, Guided by Fate or another enchantment enters the battlefield under your control, put a +1/+1 counter on target creature.' Below this, another paragraph reads: 'Whenever Calix or an enchanted creature you control deals combat damage to a player, you may create a token that's a copy of a nonlegendary enchantment you control. Do this only once each turn.' At the bottom left, the card number 'M 0026' and the text 'MAT • EN' are visible. At the bottom center is a small circular icon with three colored gems. At the bottom right, the number '2/2' is written in a large, stylized font. The bottom edge of the card has the text 'TM & © 2023 Wizards of the Coast'.
