Creature — Human Soldier

At the beginning of each opponent's end step, if that player controls more creatures than you, create a 1/1 white Soldier creature token.

At the beginning of each opponent's end step, if that player controls more lands than you, you may search your library for a basic Plains card, put it onto the battlefield tapped, then shuffle.

A man with dark skin and short black hair, wearing a red and black military-style uniform, sits at a desk. He is looking down at a document on his desk with a thoughtful expression, his hand resting on his chin. The desk is cluttered with papers, a computer monitor, and a keyboard. The background shows a window with a grid pattern and some equipment.
