

Sporeback Wolf

1

An illustration of a brown wolf standing on a rocky outcrop in a dark, misty forest. The wolf's fur is covered in glowing yellow-green mushrooms. The background shows more mushrooms and a dark, atmospheric setting.

Creature — Wolf

As long as it's your turn, Sporeback Wolf gets +0/+2.

The mushrooms growing in the wolves' fur possess curative properties incredible enough to tempt many alchemists into risking their lives to track one down.
