

The image shows a Magic: The Gathering card, 'Savage Firecat'. The top half features an illustration of a cat-like creature engulfed in flames, with its mouth open in a roar. The bottom half of the card contains the following text: 'Creature — Cat' followed by a cat icon, 'Trample', and a paragraph describing its abilities: 'Savage Firecat comes into play with seven +1/+1 counters on it. Whenever you tap a land for mana, remove a +1/+1 counter from Savage Firecat.' The card's name 'Savage Firecat' is at the top left, and the mana cost '3' with three black circle icons is at the top right. The bottom right corner shows the power/toughness '0/0'.
