Anax is a Legendary Enchantment Creature — Demigod. The card features a red-bordered illustration of a muscular, armored figure with a helmet, holding a large battle-axe. The figure is surrounded by red energy lines. The card text describes its power as being equal to the number of red permanents controlled by the player, with a mana cost of one red mana plus the devotion to red. A triggered ability states that whenever Anax or another nontoken creature controlled by the player dies, the player creates a 1/1 red Satyr creature token with "This creature can't block." If the creature had power 4 or greater, two tokens are created instead. The card number 0000 / 115P and the artist credit BGM • EN • © Jason A. Egan are at the bottom.
