
Urza, Prince of Kroog
Legendary Creature — Human Artificer
Artifact creatures you control get +2/+2.
6: Create a token that's a copy of target artifact you control, except it's a 1/1 Soldier creature in addition to its other types.
"At heart, Urza was an inventor, not a warlord. Over time, the burdens of leadership left him as cold and calculating as his mechanical creations."
—The Antiquities War
