The Charitable Drafter 4 🜄🜄

Legendary Creature — Human Wizard R

When The Charitable Drafter enters, create a 1/1 white Dog creature token. Then each player shuffles their hand into their library. Open a Magic booster pack, then starting with you, all players draft it face up. Each player's draft picks become their hand. *(Each player owns the cards they draft until the game ends, then you should get them back, unless you feel generous or rare-drafted and don't care.)*
Creatures you control have "T: Add one mana of any color. Spend this mana only to cast a card that wasn't in your starting deck."
