

Snapdax, Apex of the Hunt

1

A red, dinosaur-like creature with a cat-like face, sharp claws, and a fierce expression. It is shown in a dynamic pose, with its mouth open as if roaring or attacking. The background is a bright blue sky with some clouds.

Legendary Creature — Dinosaur Cat Nightmare

Mutate  (If you cast this spell for its mutate cost, put it over or under target non-Human creature you own. They mutate into the creature on top plus all abilities from under it.)

Double strike

Whenever this creature mutates, it deals 4 damage to target creature or planeswalker an opponent controls and you gain 4 life.
