Baron Strucker, HYDRA Overlord {2}{B}

Legendary Creature — Human Villain

Villain spells you cast cost {1} less to cast.

Whenever another Villain you control enters, you may have it connive. Do this only once each turn. *(Draw a card, then discard a card. If you discarded a nonland card, put a +1/+1 counter on that creature.)*

"Minions of HYDRA! Behold! Our ultimate destiny is at hand!"
