

Vivien, Monsters' Advocate 3

Legendary Planeswalker — Vivien

You may look at the top card of your library any time.

You may cast creature spells from the top of your library.

+1 : Create a 3/3 green Beast creature token. Put your choice of a vigilance counter, a reach counter, or a trample counter on it.

-2 : When you cast your next creature spell this turn, search your library for a creature card with lesser converted mana cost, put it onto the battlefield, then shuffle your library.
