The top half features the card's name, "Stoneforge Mystic", in a stylized font, followed by its mana cost of one white and one black mana. Below this is the card's type, "Creature — Kor Artificer", and its power/toughness of 1/2. The central illustration depicts a Kor artificer, a pale-skinned being with long white hair, wearing a dark, intricately detailed vest. She is holding a large, glowing orange and yellow flame in her right hand, while her left hand is raised, showing a dark, mechanical gauntlet. The background is a dark, smoky, industrial environment. The bottom section of the card contains the text of its abilities: "When Stoneforge Mystic enters the battlefield, you may search your library for an Equipment card, reveal it, put it into your hand, then shuffle." and "1*, C: You may put an Equipment card from your hand onto the battlefield." The card's number "1/2" is printed in the bottom right corner.
